Pay no money in advance to Internet Directory Canvassers. We are led to mention this from the fact that certain parties have fraudulently using our publications as specimens, and by that means collecting money in advance from City Directory patronized thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.

CAUTION . . . . . .

Pay no money in advance to itinerant Directory Canvassers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance on the City Directory printed therefrom. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.
